3. Make note of the number that lines up with the slit, this is your ring size.

Method #2 – Measure current ring

1. Select a ring that properly fits the finger you are shopping for.
2. Place the ring over the circles. Matching the inside edge of the ring to the circle nearest in size.
3. This measurement refers to the inside diameter of the ring. If the ring falls between two sizes, order the larger size.
